DDI ACTIVITY REPORT ITEM
(15-19 November 1965)

Change in NIS Outline

In connection with the forthcoming revision of the NIS Standard Instructions, the NIS Coordinator in the Department of Health, Education, and Welfare has submitted a draft revision of the outline guide of Characteristics of the People, an NIS unit produced by HEW. The changes emphasize the distinctive characteristics of ethnic groupings as well as significant customs and social taboos that might affect U.S. operations abroad. The proposed revision is under review in Editorial Division.
